---

## CAREER OBJECTIVE

11th semester CSE undergraduate at American International University-Bangladesh (AIUB) student skilled in full-stack web development (React, Next.js, Node.js, MongoDB), seeking a Full-Stack Developer position to build modern, responsive, and scalable web applications.

---

## PROFESSIONAL COMPETENCIES

- Strong expertise in React.js, Next.js, and modern frontend architecture
- Skilled in Node.js, Express.js, and REST API development
- Experience with database systems including MongoDB and PostgreSQL
- Advanced understanding of responsive design and performance optimization
- Effective communicator and mentor with hands-on teaching experience
- Adaptable, detail-oriented, and dedicated to continuous learning

---

## PERSONAL COMPETENCIES

- Excellent communication and presentation skills
- Strong problem-solving and analytical thinking
- Team collaboration and mentoring ability
- Self-motivated and eager to learn new technologies
- Time management and multitasking under deadlines

---

## AREAS OF EXPERTISE

Frontend Development | Next.js | React.js | Vue.js | Tailwind CSS

Node.js | Express.js | Nest.js | PHP (Laravel) | Python

PostgreSql | MongoDB | MySQL

Responsive Design | REST APIs | API Integration | Docker | Git & Github

---

## CAREER HISTORY

**Frontend Developer**
Codinzy                                                          *August 2025 – Present*

- Developed interactive and responsive web applications using React.js and Next.js

- Collaborated with UI/UX designers to implement modern, dynamic interfaces

- Assisted in curriculum design for coding education modules

- Conducted testing, optimized performance, and ensured high code quality

**Coding Instructor**
Codingal                                                      *May 2024 – September 2025*

- Taught web development, game design, and logic building to students aged 8–18

- Delivered personalized lessons in JavaScript, Python, and block-based coding

- Guided project-based learning and fostered creativity in coding

- Maintained excellent student engagement and course completion rates

**Freelance Frontend Developer**
Upwork                                                          *July 2022 – Present*

- Designed responsive websites for global clients

- Developed modular and optimized frontend components using React.js

- Improved website performance and accessibility across multiple devices

---

## ACADEMIC QUALIFICATIONS

American International University – Bangladesh (AIUB**)**                    *May 2022 - Present*
**B.Sc. in Computer Science and Engineering (CSE)**

Feni National College                                                      *2018 - 2020*
**Higher Secondary Certificate (HSC)**
