

Moh Asraful Hasan Asif

Full-Stack Developer | Coding Instructor

Dhaka, Bangladesh | asrafulmdasif@gmail.com | +8801853376599 |

PROFESSIONAL SUMMARY

Computer Science graduate and Full-Stack Developer with hands-on experience in web application development, programming, API integration, databases, and technical troubleshooting. Experienced with JavaScript, TypeScript, Python, React, Next.js, Node.js, NestJS, PostgreSQL, and MongoDB. Also experienced as a coding instructor, developing strong communication, problem-solving, and mentoring skills.

TECHNICAL SKILLS

- **Languages**

JavaScript, TypeScript, Python, C++, PHP

- **Frontend**

React.js, Next.js, Vue.js, Tailwind CSS, HTML5, CSS3

- **Backend**

Node.js, Express.js, NestJS, Laravel, REST APIs

- **Databases**

PostgreSQL, MongoDB, MySQL

- **Tools & Technologies**

Git, GitHub, Docker, API Integration, Responsive Design, Debugging

CORE SKILLS

- Problem solving and troubleshooting
 - Technical communication
 - Remote collaboration
 - Project development
 - Teaching and mentoring
 - Adaptability and independent learning
-

CAREER HISTORY

Frontend Developer

Codinzy

August 2025 – Present

- Develop responsive and interactive web applications using React.js, Next.js, TypeScript, and Tailwind CSS.
- Build reusable UI components and integrate frontend applications with REST APIs.
- Collaborate with UI/UX designers to translate designs into functional web interfaces.
- Debug application issues, perform testing, and improve frontend performance.
- Contribute to coding curriculum and educational web development projects.

Coding Instructor

Codingal

May 2024 – September 2025

- Taught JavaScript, Python, web development, game development, and programming fundamentals to students aged 8–18.
 - Designed and delivered practical, project-based programming lessons.
 - Helped students troubleshoot code, understand programming concepts, and debug projects.
 - Communicated technical concepts clearly to learners with different skill levels.
 - Provided individualized guidance and maintained consistent student engagement.
-

PROJECTS

Culinary Odyssey - Catering Management System

Next.js | TypeScript | NestJS | PostgreSQL | TypeORM | Radix UI

- Developed a full-stack catering management platform supporting menu browsing, cart management, ordering, and customer workflows.
- Built REST APIs and backend services using NestJS, TypeORM, and PostgreSQL

Home Decor & More - E-commerce Platform

Next.js | TypeScript | NestJS | MongoDB | TypeORM | Framer Motion

- Developed a full-stack e-commerce platform with product search, cart, favorites, and checkout functionality.
- Built reusable responsive components and integrated frontend functionality with backend APIs.

Doctein - Healthcare Practice Management Platform

Next.js | TypeScript | Express.js | MongoDB | Multer | Zustand

- Developed a healthcare practice management platform supporting digital prescriptions, appointments, and patient records.
- Built responsive interfaces and data-driven workflows for healthcare operations.

Nexus - Event Management & Ticketing Platform

Next.js | TypeScript | Convex | Clerk | Zod | Google Generative AI

- Developed an event management and ticketing platform covering event creation, discovery, ticketing, and attendee management.
 - Implemented organizer and attendee workflows with responsive, performance-focused interfaces.
-

ACADEMIC QUALIFICATIONS

American International University – Bangladesh (May 2022 - May 2026)

B.Sc. in Computer Science and Engineering

Feni National College (2018 - 2020)

Higher Secondary Certificate (HSC)
